EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.des	Indian Institute of Technology, Guwahati	8.36	2025
Senior Secondary	ISC Board	90.4%	2021
Secondary	ICSE Board	89.5%	2019

EXPERIENCE

- **Nutanix**   *May. 2024 - Jul. 2024*
  UX Intern   Bengaluru
  – Expanding the feature of unified access URLs to support external storage providers.
    I extended one of the core features of Nutanix storage to seamlessly support third-party storage providers. Collaborating directly with key stakeholders, including Project Manager, Development lead and Front-end lead.

- **InfoEdge**   *May. 2023 - Jul. 2023*
  UX Intern   Noida
  – Integration of Insights into the search results page.
    I Initiated & conducted qualitative research to understand how 99acres can help users make better decisions with the help of insights. Proposed changes into the platform for the same.

PROJECTS

- **Financial Literacy of rural Kamrup women**   *Jan. 2024 - Apr. 2024*
  prof. Hitesh Sharma | Bachelor's thesis project
  – Financial literacy survey of women in rural kamrup district of Assam.
    Created & conducted an offline financial literacy survey with 25 women participants from the Kamrup district in Assam, analysed the responses and identified problems. Currently working on a solution for the same.

- **IITG Connect**   *Nov. 2022 | 2 weeks*
  prof. Sharmistha Banerjee | User research methods
  – Group project of 5 people on an IITG specific dating platform.
    Utilized various methods like surveys, focus groups, etc to find out the design feasibility of a dating app specific to IITG students. Collected and analysed information from 200+ students and decided upon a design direction.
